GENERAL VISITOR RULES AND REGULATIONS

|4-5-6 September – Misano World Circuit|

MOVESTRO SRL, the organizer of the event in question: IBF International Bike Festival (hereinafter referred to as the "Event" or "Festival"), has adopted the following General Regulations in order to govern the behavior of Visitors, Operators, Journalists, and other users (hereinafter referred to as "Visitors") who access the Event or other locations related to it, following the registration/participation procedures set up through the official channels of the Event. In order to access the Event, the Visitor must possess a Ticket or Entrance Pass obtained through the official channels of the Event (website).

ART. 1 - VISITOR QUALIFICATION AND ENTRY TITLE

Only holders of an entry ticket are authorized to access the event.

All Visitors, at the time of registration, must provide truthful information about their identity and activity. In the event of false declarations, the interested party will be prosecuted as prescribed by the Law.

The entry ticket is strictly personal and non-transferable.

The entry ticket is valid for all three days of the Event, each time you return it must be shown.

Entrance tickets may be shown in both paper and electronic format.

The entry ticket cannot be transferred or given to third parties for commercial,

advertising or promotional purposes.

ART. 2 - CANCELLATION – RESCHEDULING OF EVENT

2.1 – MOVESTRO SRL reserves the right to cancel and/or reschedule the Event and/or related events scheduled in its calendar. In such a case, MOVESTRO SRL will not be liable for any additional costs, charges, expenses, or damages incurred by the Participant.

The Visitor also acknowledges that certain circumstances, such as adverse weather conditions, security and public order reasons, force majeure, or other factors not attributable to MOVESTRO SRL, may result in the cancellation or rescheduling of event dates and times. MOVESTRO SRL shall not be liable for any such circumstances.

Additionally, MOVESTRO SRL will not be held responsible if the Visitor is unable to attend the event due to reasons beyond its control. In such instances, no refunds or compensations will be provided to the Visitor.

ART. 3 - ACCESS AND STAY AT THE EVENT

3.1 - The Visitor is required to comply with these rules and the directives that the Organizer deems

necessary. To access and remain within the location, the Ticket Holder must

comply with the following provisions:

- the Visitor must behave in accordance with the regulations on public order and safety and not represent a threat to the safety of the event in general or to the visiting public;
- the Visitor must not interrupt or disturb the regular progress of the activities within the event;
- The Visitor, for their own safety and the safety of any minor accompanying the Ticket Holder, is required to pay the utmost attention, exercise maximum caution and diligence within the event, and comply with the notices and behavioral rules displayed within or near the venue.

- Minors may access the Event (provided they have a ticket, in accordance with the specific entry requirements of each event) only if accompanied by an adult guardian (a person who is at least 18 years old).

3.2 – It is not permitted to bring the following items into the location:

- Firearms and other objects that could be offensive or harmful to the physical and/or mental safety of individuals (including but not limited to: guns, explosive devices, fireworks, smoke bombs, toy weapons, replicas and imitations of firearms that could be mistaken for real weapons, electric shock batons, chemicals, gases, and sprays capable of causing disabling or immobilizing effects, acids, animal repellents, knives, blades, utility knives, scissors, etc.);
- Horns and musical instruments of any kind, unless expressly authorized by the Organizers, loudspeakers and other sound emission or amplification systems, and other objects that could pose a danger to the safety of individuals present at the venue, cause disturbances, or disrupt the regular conduct of the event;
- Narcotic substances, poisons, harmful substances, flammable materials, paints, or other staining materials.

3.3 – As a condition for access to the Event, the Ticket Holder gives their consent to security checks, including the use of metal detectors, before and during their visit to the venue. In the context of these security and control activities, in order to prevent the unauthorized introduction of prohibited materials and substances as outlined in these regulations, the Ticket Holder may be asked to display the contents of bags, backpacks, or any other personal baggage or items carried.

3.4 - In carrying out their control tasks, the personnel in charge of security and control services employed by the Organizer, among other things, may carry out the following activities:

3.4.1 - Checks upon public access:

- Monitoring of event entrances and regulation of crowd flow;
- Verification of the possession of a valid access ticket, if required, and in the case of a personalized ticket or a minimum age requirement for access, verification of the identification document, as well as compliance with the regulations governing access;
- Brief visual inspection of individuals to check for the possible introduction of illegal substances, prohibited objects, or materials that may pose a danger to public safety or the health of individuals, with an obligation to immediately report to the police and other competent public authorities or agencies.

3.4.2 - Checks within the areas involved in the event:

- Inspection to verify compliance with provisions, prescriptions or rules of conduct established by public or private entities;
- Assistance in first aid procedures, which does not involve the exercise of public functions, the use of force, or other coercive measures, nor exposure to risks, aimed at preventing or interrupting conduct or situations that may pose a danger to the safety or health of individuals.

The obligation to immediately report to the police and other competent authorities or public agencies remains, and full cooperation must be provided to them upon request.

3.5 - Within the venue, any behavior that may create dangerous situations and/or jeopardize the personal safety of the Ticket Holder or third parties and/or any behavior contrary to public order and/or good manners and/or that may, in any way, disrupt the regular conduct of the event and the Organizer's activities is prohibited, including, for example: smoking in areas not designated for it, gambling, unauthorized collection of money, promotional activities (individual or group), any form of advertising or marketing activities carried out by any means and not authorized by the Organizer's competent offices, any form of protest activity (even related to political, associative, trade union, or religious entities), unauthorized transmission and/or recording of data for commercial purposes through mobile phones or

other devices (cameras, photographic equipment, recorders, etc.), unauthorized access by reporters and journalists with recording devices and/or cameras, attempts to access restricted areas, requesting money or other goods without authorization (e.g., for musical or entertainment activities at the entrance or within the venue, begging, ticket scalping, etc.).

3.6 - Violation of the above provisions will be reported by the Organizer to the competent Authorities. The Organizer also reserves the right to request compensation for all damages suffered.

ART. 4 - VIDEOS, PHOTOS AND RECORDINGS

4.1 - By entering the Event, the Participant accesses a "public place." In this regard, MOVESTRO SRL informs that, through its own staff and/or specifically appointed professionals, it will proceed to capture photographic images and/or video footage for documenting and promoting the event on its website, related editorial products, and other printed and digital informational materials. If the Participant does not wish to be photographed and/or filmed in a recognizable manner, or if they do not want the minor they are responsible for to be photographed and/or filmed, they are kindly requested to inform the operator, who can be identified by a specific pass.
The Participant will not be entitled to any compensation or reimbursement for the use of the aforementioned materials.

4.2 - The Visitor also acknowledges that, as indicated by appropriate signs, all areas both inside and outside the Event are under video surveillance for security reasons. The footage captured by these systems may be made available, upon request, to the judicial authorities or law enforcement.

4.3 - Images, videos, and sound recordings taken at the venue by the Ticket Holder using a camera, video camera, or audio device may only be used for personal and private purposes. Therefore, the Ticket Holder may not sell, grant usage rights, broadcast, publish, or otherwise exploit such material for commercial purposes.

ART. 5 - DAMAGES AND LIABILITY

5.1 - The Organizer assumes no responsibility for damage caused to the Ticket Holder for circumstances not attributable to the latter nor damage caused by the Ticket Holder to third parties and/or to their property.

5.2 - The Organizer cannot be held responsible for the consequences arising from the

imprudent or negligent behavior of the Ticket Holder; the ticket holder is in any case required to observe the utmost diligence and prudence during the visit to the event.

5.3 - Any incident involving the Ticket Holder must in any case be immediately reported to the security personnel for direct checks on the condition of the premises and objects, as well as for the necessary documentation. In any case, failure by the Ticket Holder to immediately report the incident exempts the Organizer from any potential liability towards the Ticket Holder.

5.4 - The Organizer cannot be held responsible for any unforeseeable and/or indirect damages suffered by the Ticket Holder.

ART. 6 - PERSONAL DATA PROTECTION

6.1 - The personal data of the Ticket Buyer and the Ticket Holder, including any data provided at the time of access to the Event, and their images as per the previous sections 4.1 and 4.2, will be processed by the Organizer as the Data Controller, in accordance with the information provided by them under Article 13 of Regulation (EU) No. 2016/679 ("GDPR"), accessible on the Organizer's website dedicated to the Event (Link to documents archive) and attached below.

ART. 7 - SPECIAL EVENT REGULATIONS

7.1 - The Ticket Holder must comply with the special regulations issued for each specific area, which, in this context, are considered to be fully incorporated by reference.

ART. 8 - GENERAL PROVISIONS

8.1 - These Terms and Conditions, made available to Visitors through displays at the entrance and inside the venue, as well as on the website, represent the only existing agreement between the Parties. By obtaining the Ticket and presenting it to the entry staff upon arrival, the Terms and Conditions are confirmed and accepted.

8.2 - These Terms and Conditions, originally written in Italian as the official language, are exclusively governed by Italian law. Any dispute arising in connection with them will be subject exclusively to the jurisdiction of the Court of Milan.

8.3 – MOVESTRO SRL reserves the right to modify the Visitor's General Regulations at any time.

An updated copy of the Regulation will be published on the event's website (Link to documents archive) and will take effect immediately upon publication.

ART. 9 DETAILS OF THE “TEST AREAS” REGULATION

The Organization provides the following areas for product testing:

- The international track of the Misano World Circuit, called the Road Circuit
- An off-road area called the Off Road Arena
- A bike park area for the first approach and/or product testing for children up to 16 years old, called the Skills & Test Bike Park
- An area with a pump track structure, called the Skills Pump Track

These areas will hereafter be referred to as the "Test Areas."

The Test Areas may be managed directly by the Organizer or outsourced to third parties. Compliance with these regulations is mandatory to ensure your safety and the correct use of the areas.

Art. 9.1 -The entrance to the abovementioned areas is exclusively dedicated to testing the products of the Exhibiting companies. Access on foot or with any other means is absolutely prohibited. It is forbidden to leave the marked path. It is forbidden to travel through the Test Areas in a direction opposite to that designated.

Art. 9.2 - Access to the Test Areas is allowed only to those who have signed the Waiver and/or Risk Acceptance Document and, if necessary, the subscription to the association (a.s.d.) that manages the area. The Waiver document is available at the test areas and can be viewed at the following link: (Link to documents archive).

Access to the Test Areas and its paths implies that the user assumes full responsibility for their conduct, the consequences arising from it, and accepts the regulations in full. No responsibility is attributable to MOVESTRO SRL, the management of the Test Areas, and/or other responsible entities.

Art. 9.3 - The Test Areas may not be used for purposes other than those expressly mentioned in these regulations, unless written exceptions are granted by the Organizer.

Art. 9.4 - Minors: Access is prohibited for minors under 6 years of age, while those between 6 and 18 years old are required to be accompanied by an adult (parent or guardian), who must sign the responsibility waiver for the minor.

Art. 9.5 - Access to the Test Areas is only permitted when they are officially open. The Test Areas may be closed at any time due to force majeure (bad weather, security reasons, etc.) or for reasons deemed necessary by the Organization.

It is mandatory to comply with the signage within the Test Areas. Additionally, it is compulsory to follow the instructions of the personnel responsible for managing and ensuring the safety of the Test Areas.

Art. 9.6 - It is mandatory to always keep speed under control in relation to the tracks and your own abilities. It is also mandatory to maintain a minimum safe distance from the user ahead. If there are users stopped on the track, you must immediately slow down and avoid stopping on the track.

In case of a stop, it is mandatory to leave the area clear and remain in a safe and visible position.

Art. 9.7 - It is mandatory to wear a helmet, appropriate clothing, and equipment in optimal condition.

Art. 9.8 - In the Test Areas, there may be jumps, walkways, bridges, and other artificial structures. Before attempting them, make sure they are within your skill level. If in doubt, avoid them and use the designated alternatives. It is strictly prohibited to modify or tamper with any paths or structures in any way.

Art. 9.9 - It is strictly forbidden to leave the designated tracks.

Art. 9.10 - It is strictly forbidden to use the Test Areas and its trails under the influence of alcohol or drugs.

Art. 9.11 - Any improper behavior in the Test Areas and failure to comply with this Regulation will result in the cancellation of the Admission Ticket to the Event. In cases of exceptional harm or danger to oneself or others, the relevant authorities may intervene.

Art. 9.12 - Provide assistance if you are involved in an accident or are nearby. Call emergency services (118) or contact the Organizers at +39 0249402036.

Art. 9.13 - During access to the Test Areas, photographs and videos may be taken by designated personnel. The photographs or videos acquired may be used for promotional purposes of the Event. The posing for and use of images are to be considered free of charge. Entry to the Event and Test Areas implies tacit consent for the use and publication of the images and releases the Organization (MOVESTRO SRL) from any civil and criminal liability.
